## EDITOR'S LETTER

At a glance it would look like we were favouring ladies with larger than life breasts in this month's issue, but we promise you, we love boobs of all shapes and sizes over here at Mayfair. This was just pure coincidence. The ladies in question are Dolly Fox, Cara Brett, Jasmine Jae, Katherina, Nicole Snow and Amber Jayne. Gosh, that does sound like a lot doesn't it. Can you imagine being stuck in an elevator with these top-heavy beauties, who would you turn to first? One thing's for sure, you'd be bashing into breasts left right and centre which ever direction you went in. And what about the other girls? Angelina and Heather are hardly small and Suzi's breasts are a perfect hand-full! We'll stick in a few bee stings next month, we promise!

## Dear Mayfair,

I've got a bit of a weird kink that I want to share with you. You see I love it when women hit me in the crotch accidentally. It's quite easy to get them to do it because just about every woman out there walks with one arm swinging wildly back and forth as the other clutches a handbag.

Every day, on my way to and from work, I usually get at least one tap on my tugboat.

On the way in, I try and make sure that I am walking behind an attractive looking woman who's in a hurry as these are the kind who swing their arms the most violently. Then I ease myself closer until – wham! – they score a direct hit on my crown jewels. Usually they are very apologetic, which just makes me even hornier at the fact that they don't know how much I wanted them to hit me turns me on.

If I'm lucky, I get a couple of blows to the knackers before I've reached the office, and when I get there I have to go straight to the toilet and wank.

On weekends, I like to go into town and walk up and down the high street until I see a really sexy babe with shopping in one hand striding down the street and then it's the same thing. I get up close enough for them to swing their hands into my dick and then they really let me have it! I'd love to have any of the girls from last month's issue of Mayfair to accidently hit me in the balls!

***Glen, Maidstone***

## Dear Mayfair,

Lola is proof that blondes really do have more fun! I loved her photos in Mayfair 57/03. Her underwear really caught my eye, it was all shiny and sparkling. I must admit though, it was better when she took it all off and showed us her beautiful naked figure. It's interesting that she studied fashion at college, because I did too. Maybe the two of us are meant to be together!

***Ethan, Newport.***

## Dear Mayfair,

Having recently moved out of town, me and the wife thought it would be a good idea to get ourselves a dog, you know, more space and all that. Little did I know that it would turn out to be more than just a good idea.

So, we got a dog and, as it always turns out, it was my job to take the damn thing for a walk every evening. But now that we live out in the country, I had my choice of places I could go. One night, I chose the woods since it was still light out and it was sheltered from the worst the wind could throw at me. It was far enough for me to get the car out, and me and Buster went over to the woods. I parked the car and was just about to get out of it when this other car, directly opposite mine, flashed its lights at me. I don't know why, but my first thought was that they needed some help so, leaving Buster in the back seat, I went over there. As I walked towards the car, the lights went out and I could see there was a man in the driver's seat and a fit looking blonde bird in the passenger seat beside him. She had her eyes closed and was biting her lower lip like she was in some kind of pain. However, I got the shock of my life when I got round to the side and could see that she had her skirt right up, knickers pulled to the side, and the bloke had his fingers up her snatch!

That stopped me in my tracks; I had no idea what to do. Did they mean to flash their lights at me, or was it an accident? I stood frozen to the spot and stared as the girl unbuttoned her blouse and let her tits out, squeezing her own nipples. I was gonna walk away until she opened her eyes and looked at me. It was one of those looks that tell you everything you need to know.

She stared at me for a few seconds and then reached over and got her bloke's cock out. Still staring right at me, she wanked him off for a bit and then went down on him. This was getting fucking horny, I was half-tempted to get my own cock out and have a wank all over the window and, as I toyed with my dick through my trouser pocket, she stopped sucking him off and wound the window down.

"You want to join us?" she said, still wanking her boyfriend off. I didn't know what to say. "Come on, come closer. If you put your cock in the window I promise to suck it till you come in my mouth," she continued. And how could I refuse an offer like that? I unzipped my trousers, fished my cock out and then stuffed it in the window, and the slut got right to it. She licked my helmet and kissed my cock, telling me how nice it was as she gave me a soft wank with her hand.

"Is there anything you'd like me to do for you?" she asked.

"Yeah, suck my balls and take my cock all the way down your throat,"

I said. My wife never sucked on my balls and couldn't get more than a quarter of my cock in her mouth at one time. I stood up and enjoyed the sensation of having this stranger sucking each of my bollocks gently into her mouth. I was seriously turned on by now, so when she slipped her lips right the way down my cock, I couldn't stop myself from fucking her face. For her part, she took it all – I could tell she was getting off on it too because of the moaning I could hear slipping out around my cock from her mouth.

## Dear Mayfair,

What a sight Ashley Jaymes is with her legs behind her head with those high heels of hers knocking together. The sight of her pussy and bum hole inviting you in got me rock hard in seconds when I came across her photos in the magazine. I know it's just a dream but I've imagined myself on top of her in between her legs pounding away at her, alternating between her arse and pussy. I never last very long though. I'm not sure many men would!

***Bryan, Kidderminster.***

Moments later, I came, blasting spunk right down her throat! She gobbled it all up and then went right back to sucking off her boyfriend. Once I'd come, I lost interest and sloped off back to the dog. I took him out and wandered into the woods and by the time I came back, they had gone. Fucking amazing, eh! Fucking amazing!

***Ted, Rochester***

## Dear Mayfair,

I'm a computer engineer, and a bit of a messy one, so there are always bits and pieces from my work scattered about my home.

The other morning, my girlfriend made the mistake of using my air canister as a deodorant (it's meant to be used to clean keyboards, delivering a very powerful jet of air into the tiniest of spaces!). Anyway, I just happened to walk into the bedroom to the sight of Laura, for that's her name, with her legs spread wide and the thin straw that runs from the canister's nozzle millimetres from her clit!

She had her eyes closed and was using the powerful jet to part her cunt lips and stimulate her clitty. It was one hell of a sight to behold

> "I couldn't stop myself from fucking her face. For her part, she took it all – I could tell she was getting off on it too because of the moaning."

– my bird, stark naked with her knees up by her tits, blasting her pussy lips wide open and frigging her clit with her fingers! I could smell her pussy juice from the door of the bedroom! I stood there, staring at her, my cock growing rapidly inside my suit trousers, for a few minutes, until I recognised the look on her face; she looked as if any moment now she was going to come, and then I realised that if I didn't get my kit off quick sharp and get over there I'd miss out on all the fun!

Quick as I could, I got over there, and got myself between her thighs. I stuffed me cock up her and she opened her eyes in surprise, but said nothing. I took the can of air off her and pulled the little straw out of the nozzle. Then I held it right up against her clit and let her have all of it as I banged away for all I was worth!

The noise she made when she came was incredible! She was so loud she put me off my strokes! Never mind though, she was more than happy to wank me off onto her lovely tits to finish! And the best bit is that I can get these cans of air free on expenses!

***Iain, Surrey***

## Dear Mayfair,

My girlfriend loves the taste of brown sauce so much that she has it with almost everything – and last weekend she did have it with absolutely everything! It was that really hot early Sunday in March and we'd been out in the garden all day drinking and getting tanned. Naturally, when you've got hardly any clothes on and your girlfriend is as sexy as mine, your mind turns to sex twice as much as it does when you've got all your clothes on and your girlfriend's as ugly as a pitbull!

Anyway, we'd been lying down on the grass together and I'd been mucking about, running my hands over her body and fondling her cunt through her bikini bottoms. I knew she was getting turned on but she kept slapping my hand away, obviously she didn't want me to fuck her in the garden in case the neighbours saw and I didn't really expect anything to happen, I was just fucking around, feeling her up for some cheap thrills. But when she went inside for some food I lay there and played with myself for a bit before going inside to find her and give her a good seeing-to.

She was in the kitchen and had just made herself a bacon sandwich when I came up behind her with my hard cock out. I pushed my meat between her legs.

"Stop it you silly sod!" she

# CARA

Cara Brett has had us standing to attention for many a year now and like a fine wine she just gets better and better, the proof is in the pictures! Of course, seeing Cara in the buff is always one of the highlights of our year, but it's just as much fun finding out what she's been up to since the last time we drooled over her bent over waving her arse in the air at us! As per usual she's always more than happy to fill us in on her crazy antics! "Do you know what, I've actually been spending most of my days fully clothed, only at nighttime have I been revealing my true self, that makes me sound like a super hero doesn't it. I even briefly had a job working in an office. I figured I needed to do some growing up. "Cara, this...

... is all sounding very boring, did you at least fuck your boss in the boardroom? "No, he was like sixty or something, he would have fucking loved spreading me wide open over his desk though. Anyway, I decided I've got plenty more time before I need to grow up, so I quit and called you guys up, and here I am." You know what Cara, I think we've got a boardroom table kicking about somewhere!

Continued fome page 5

screamed and turned on me, a plastic bottle of brown sauce in her hand.

"If you like that stuff so much," I said, snatching the bottle out of her hand, "why don't you lick it off my cock?" and then I squirted some onto my knob. Laughing, Emma knelt down and licked the sauce off of me and gave me a little suck for good measure. So I squeezed some more out. The dirty cow sucked my cock like she loved it until the bottle was empty! Then she upped and left me to it, stuck in the kitchen with a sticky, fruity cock and no one to play with!

***Ian, Chelmsford***

## Dear Mayfair,

I am not sure where I am going with this story; I guess a bit of advice wouldn't go amiss. I am Tim and I am 45-years-old. I am married to Lesley, who is 51. Now, before you all moan, Lesley has a fairly good figure.

Okay so her bum's a bit big but she does have great tits, and red hair, and when she puts her glasses on and lipstick she does look very sexy.

We have been married for 16 wonderful years, and enjoy each other's company.

Lesley works in the kitchens of a large factory, and, way back in June, she and some of her colleagues went to a 40th birthday party.

Lesley wore a very simple red dress, which buttoned all the way down the front.

At about two in the morning, she came home.

"Had a good time love?" I asked. Yes, she said, and jumped on me. As I slid my hand up her dress I found her knickers were soaking. "What's brought this on?" I asked, but she just mumbled something incomprehensible and dragged me upstairs, where she whipped out my cock and straddled me, with her dress round her waist and her knickers pulled to one side.

It was great, but I never found out what excited her exactly... until now.

Two weeks ago she fell out big time with one of her work colleagues, who told me what had happened that night: towards the end of the party, Lesley was waiting for Margaret, her colleague, who was chatting to some blokes, when the host complained to Lesley about not getting a birthday kiss, so she gave him a peck on the lips, looked at him and gave him another, then another, and then it was a full blown snog.

Within seconds, he had got Lesley's dress open and his hand in her panties. She sat on the edge of a table and got his cock out, he then laid her back pulled her knickers to one side and fucked my wife.

Apparently she was mad for it, after he had come inside her, he pulled out and Lesley started to sit up, but another voice said 'my turn' and Lesley simply laid back down again and let this other man come inside my wife.

"Margaret," I said, "just how many people fucked my wife that night?"

"Six," said Margaret.

"Yeah, and muggins here made seven." At least now I understood why her panties were so wet!

When I got home, I told her I knew all about it, and she burst into tears saying she didn't know what came over her.

About six blokes by the sound of it, I thought.

Anyway in a strange way the thought of it excited me, but I am still a little unsure what to do about it?

***Tim, Essex***

## Dear Mayfair,

Thank you so much for the photo set of Cara (or Kara) Delahoyde. I remember her from *Love Island*, but what I don't remember is seeing her with her breasts and pussy on full show. She did spend plenty of time under the bed covers doing God knows what. But thanks to Mayfair we get to see what was hiding under the covers! I see on your website that you've got even more photos of her. I know exactly what I'm going to be spending my weekend doing! Keep up the good work. I can't wait for the next issue of Mayfair to hit the shelves.

***Adam, Cornwall.***

## Dear Mayfair,

I used to work with this bloke (no, honestly!) who had a thing about tin foil! He stupidly confessed to me at a Christmas party, when he was really pissed, that he loved to wrap himself up in reams of it! Whenever he wanked, he would wrap some around his cock.

He said he loved the feel of it scratching his skin as he tugged and got off on seeing his spunk pooling into its crevices. He had no idea why he was into it, just that one day he was in the kitchen with a boner and 'just happened' to be wrapping some food in foil, so he fucked the tube it was wrapped around and it started from there.

I spent the evening listening to him, taking an interest, trying to keep a straight face, and then the next day I told everyone!

Well, you have to, don't you?

***Bob, Hants***

# Amber Jayne

We can never get enough of Amber Jayne over here at Paul Raymond, so much so we think she might even be popping up in Escort magazine this month too, that's how popular she is. So, what makes Amber so popular then? It's quite simple really, she's got the wow factor that gets readers wanting to come back for more and more. Take her latest photo set for example, how many models can make a boring park bench look sexy, not many right, but Amber can. We bet you've got your cock in your hand right now just taking it all in. "Who says a park bench can't be sexy," Amber says looking confused. "If you've seen some of things I've done on my local park bench after a night down my local pub you'd think differently. Picture a guy sitting on the bench with his cock out and me gulping down and sucking on it while I'm standing up and leaning over him leaving me all exposed from the rear. Behind me another guy has lifted my skirt over my arse, pulled my knickers to one side, and is fucking away with all his might! How is that not sexy. Did I mention that the bench is right outside the pub entrance? It's quite the show for the regulars."

# Katherina

Who needs a fella when Katherina has got a best friend? No, not a hot blonde who she shares her nights sixty-nining and scissoring with, before snuggling up next to one another sweaty and naked. We're talking about Pablo, her trusty dildo. "I do like fucking about with real humans, of both sexes, and I'm a huge fan of a good old orgy with a load of strangers, but that's it. I'm young and carefree, the only relationship that I need right now is with Pablo. It's going to be a long and fruitful one. He never lets me down, I get multiple orgasms from him time and time again, and he sleeps on the pillow next to me. He doesn't snore either!" At this rate the human race is doomed!

# Dolly Fox

Quick question for you Dolly, are you any good at cooking, we bet you serve up a great portion of bangers? “No, I’m not, hence the fact that my kitchen looks so clean all the time, it’s a wasted space really, it could be put to better use. The only thing that gets used is the microwave and I still end up cocking the food up. I’m more of a takeaway and Netflix kind of girl. That’s not to say that the kitchen worktop doesn’t get used for other purposes, it’s a very sturdy platform for supporting one’s weight!” We bet it is, in fact can we make out what looks like an arse print over there on the kitchen table? “Yes, that’s probably mine from this morning, sorry.” No need to apologise, did you have fun? “I most certainly did, so much so that I had the neighbours banging on the wall because we were making so much noise. There’s nothing quite like a fuck first thing in the morning to get you in the right mood for the rest of the day.”

Jasmine Jae has been labelled as a super slut by some of our readers in the past, which most girls would take offence to, she loves it though. "Have you not seen my movies, I take being called a super slut as a compliment, it means I'm doing my job right. I understand that some of the girls that appear in your magazine are more reserved and reluctant to even open their legs to show off some pink, that's not me, I'm the polar opposite. When I'm not doing modest posing for magazines I'm on set being filmed getting fucked in every hole possible by as many as five or six guys at a time! That's what really gets me going." So Jasmine, what's the best thing about having so many well-hung men at your disposal? "I would have to say double anal penetration. Not many girls can do it, but I can, it just takes a bit of patience. If you've seen me doing it in any of my movies the screams of pleasure are real, there's nothing fake about it. Double anal gives me the best orgasms, hands down!" You really are a super slut!

# ANGELINA

Some like to boast about the size of their bank balance, others about their knowledge of vintage steam trains, and the other night I even heard a tosser in the pub bragging at high-volume about meeting ex-England goalie David Seaman on a recent golfing holiday on the Costa Del Sol. Yes, some people just love to wank on about themselves, and filthy-mouthed big-boobed newbie, Angelina Valentine, is no different. Fortunately, what she has to say is slightly more, erm… stimulating than news of a chance encounter with 'Save Hands', legend though he undoubtedly is. You see, Angelina loves to boast that she can deep throat any cock, no matter what the proportions. "There's no dick too big for me to gobble up," she blustered over lunch, performing a quick simulation on her cheese salad baguette. "I can make any cock disappear with ease!" And, indeed, unlike many an idle braggart, Angelina actually has the proof to back up her bold claims, and this very year snagged the prestigious (well, slightly) X-Rated Critics Organisation's Deep Throat Award. She also says she squirts like a fountain… Really, this is one girl who can boast as much as she likes.

# Nicole Snow

It only feels like last week since Nicole last appeared on the front cover of Mayfair, which shows how bad our memory is because it was actually way back in 2018! How on earth has it taken us this long to get her back? It's criminal when you think about it, that's six whole years we've denied our faithful readers from casting their eyes on such a cracking girl. We can only hold our hands up and apologise to you and beg for forgiveness. In fairness, it has been well worth the wait though! "Has it really been six years, are you sure?" Yes, and we bet you've been keeping yourself busy. Are you all settled down now with a cat and a couple of kids? "Are you kidding, the only thing you got right is the cat. I'm still young and free and being chased around by lots of horny stud muffins. Relationships are for later on in life. While I've got a body like this I'm going to share it around with as many men as I can."

# Catherine

La Belle Epoque, the final decade of the 19th century, was one of the most romantic eras of dress and design. And nobody loves it more than 21-year-old Catherine Gregson. So much so that she has devoted the top rooms of her house near Sutton, Surrey to reflect the décor of the period, and delights in dressing up in costumes from the same era.

"Many of the outfits are genuine," claimed Catherine. "Some have been handed down to me from my great great grandmother." Clothes of that age take a good deal of care, and watching her handle them, you can see just how much Catherine looks after them. "I suppose some people might think it's a bit childish dressing up at my age, but I don't see it like that. It's a fantasy, these rooms are a different world that I can lock myself in." Until now, very few men have been allowed to share Catherine's fantasy, and even now, fear of burglary prevents her from saying exactly where her house is situated. So why has she decided to let Mayfair readers into her secret? "I think I've always wanted to be photographed up here, but until now I didn't have the nerve." And what about her decision to bare her 35-24-34 figure? "Somehow it seemed a very natural thing to do," said Catherine. "That era was renowned for its erotica, and I wanted to re-create it – only through a modern camera lens. I saw the pictures as soon as they were developed. I think they're marvellous."

Most of the time, however, Catherine abandons her tight-laced corsetry and Victoriana to work in a more modern clothes shop in Croydon. "It's not exactly a boutique but it's still light years ahead of my collection. However, it has taught me how much better made clothes were in the 19th century, even if they were more cumbersome." Do the men in her life agree? "I think they quite like the long dresses I wear, especially the low-neck lines and tight waists." In fact, Catherine's taste for Victorian values extends to her men. "I wish more of them were as gallant as in 'my day'. I do like a little old-fashioned courtesy. Emancipation is all very well, but I like to be treated like someone special." At the moment though, Catherine still acts out her fantasy alone. "It might be nice to have a man join in," she said. "A butler to attend me, perhaps?"

"I wonder what that old codger wanted with our ladder at this time of night?"

# Suzi Star

Suzi is another girl who hasn't appeared in a while, and as you can see she's back with an all-mighty bang. Since she first landed on our lap straight out of the Page 3 section of the Daily Star we've strived to get her in the magazine as much as possible, but she's such a difficult girl to track down. "I like to travel and go off-grid so I'm not the easiest girls to find if I don't want to be found. I've recently spent the last six months taking in some Asian culture and recently returned from Thailand so you're very lucky to have got hold of me. Lucky for me too as I could use a bit of dosh for my next trip, I'm thinking of doing a bit of New Zealand this time. It's quite an expensive place to visit so if you guys want to put some proper money on the table and shoot me again before I go I might even spread these legs of mine and give your readers something that they've never seen from me before?"

# Quest.....

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we – and here they are!

E-MAIL CONTACT@PAULRAYMONDMEDIA.COM

My kinky wife likes our sex with a twist, so now and again we roleplay with either another couple or even take part in a threesome. We've been married four years and rather than getting tired of sex, our love life as gone from strength to strength.

Celia is a born slut, brunette and petite with an almost insatiable sexual appetite.I love to fuck her as often as physically possible, but, as everyone knows there are only so many times a bloke can shoot his wad, we came up with the idea of adding another bloke into the mix.

At first this was very exciting, as I'm a bit of a voyeur and enjoy seeing my Celia getting a proper shafting, either before or after I've had my turn with her. These days we have some regular visitors who we have become comfortable with, but now and then we find someone new who will add a tad more excitement.

We sometimes even surprise one another, like the time a few weeks ago when I got a text from Celia to come home immediately, and to be careful to sneak in quietly and go upstairs. We never cheat on one another, but sometimes if we get the opportunity to fuck with someone especially hot, we text with the details and an invite to watch or join in.

This was an obvious invite to watch, and I turned my van around and headed home eagerly to see what was going on. It took meal most half an hour to get home through the traffic and I quickly parked a little way down the road and hurried to the house, afraid that I had missed out on the action.

I went round the side of the house and in by the back door, creeping upstairs, careful not to make noise as this was obviously someone who just wanted to fuck Celia without an audience or her hubby joining in. I was halfway up the staircase when I heard Celia groaning in ecstasy, and I finished climbing the rest of the steps in a hurry, eager to see what this bloke was doing to her.

Celia had only been with men before, to my knowledge, so I was totally unprepared for what I saw when I reached the part-open bedroom doorway.

It was a fucking dream come true! My wife was in bed with the most beautiful woman I have ever seen. She was blonde and pale-skinned with huge knockers and the most amazing curvy arse imaginable.

Both were naked and locked in a sensual embrace, and I almost shot my load just watching the two women French-kissing as their tits squashed together.

> "Sonia pushed the head of her weapon against Celia's cunt-lips and nudged her way inside. Celia's hole was soaking and Sonia's strap on slid in easily."

I whipped out my hard cock, keeping out of sight, and began stroking, as the blonde pushed Celia back and began licking her slowly from top to toe.

"Oh, fuck, Sonia," Celia moaned. "For fuck's sake, suck my nipples." Sonia's large boobs wobbled as she changed position, took one of Celia's teats between her lips and gently teased it into her mouth. Celia's body began to writhe, her legs parted and splayed wide, her hips bucking as her lesbian lover sucked at her tender nips.

From my position just outside the door I had a terrific view of Celia's freshly shaven fanny. With all her pussy-hair gone and her legs akimbo, I could see her cunt juices oozing. Sonia moved downwards and started lapping at my wife's wet pussy lips, spreading them with her fingers before darting her tongue into Celia's juiced-up slit.

Celia's hips were bucking harder and higher as she begged her girly lover to eat her "harder". Sonia obliged, her head bobbing as she tongue-fucked my insatiable wife. Her long red fingernails pinned Celia's fanny-lips apart as her long tongue flicked and licked her to climax.

Celia gasped, then arched her back and thumped her heels against the bed, squealing as her pussy squirted her juices over her

new lover's face. Sonia raised her head, licking her glossy red lips seductively, and from where I stood I could see her chin was covered with Celia's glistening juices.

Then Celia grabbed her, locking her legs around Sonia's back and digging her nails into her shoulders.

"Now fuck me, Sonia," she said excitedly.

"Fuck me, I need you to! Screw me deep and hard!" It was then that I noticed the large black strap-on that Sonia was wearing, and my balls tightened as I realised that Sonia was going to fuck Celia like a bloke!

Celia reached for Sonia's groin, gripping the rubber shaft and pulling it towards her cunt. It was huge! She had both fists round the massive dildo, which was protruding from Sonia's neatly-trimmed, glistening mound.

I moved my cock faster in my fist as Celia spat on the massive rubber cock poised at the entrance to her slit, rubbing her saliva around it to lubricate it, at the same caressing one of Sonia's creamy-white boobs with the other. I was rooted to the spot, and hornier than I'd ever been before in my life.

Celia cupped both Sonia's jugs in her hands, lifting each heavy melon to her mouth, taking each large nipple between her lips and sucking it hard.

From where I stood I could see Sonia's bum cheeks tighten as her pussy contracted and Celia licked and tweaked her nips. Then Celia changed tack and started sliding the large phallus deep into her mouth. I watched enthralled as she sucked greedily on her lesbian partner's rubber prick, her head and shoulders moving rhythmically.

Sonia closed her eyes, her breasts heaving as she allowed Celia to lubricate the large dildo. Then, withdrawing it from Celia's mouth, she positioned my wife flat on her back. Spreading Celia's legs, Sonia pushed the head of her weapon against Celia's cunt-lips and nudged her way inside. Celia's hole was soaking and Sonia's strap on slid in easily. In one swift movement Sonia penetrated my wife's needy pussy, burying the rubber strap-on deep inside her.

Then she started humping Celia hard and fast, occasionally pausing to flick her long blonde hair back from her face as their mounds ground against one another and their tits bounced. Celia came first, kicking her legs and groaning, and Sonia slowed her pace: her lovely face a picture of concentration as my wife's pussy constricted around her dildo as though trying to milk it.

I wanked furiously, tugging my shaft in time to Sonia's continued thrusts.

Then suddenly Sonia's back stiffened as she rammed the strap-on inside Celia for what proved to be the last time. Her body jerked and she moaned so loudly that I worried maybe people in the street outside might hear her. It was too much and I splashed my load, my gaze riveted on Sonia's fully-rounded, sexy arse-cheeks as she made my wife come again and again until I knew that Sonia was finally fucked out, because she rolled over and tried to light a cigarette but was almost too exhausted to puff it.

Sonia gave a little shriek when she saw me, stood gawping with my semi-erect cock in hand. But she soon saw the funny side, and soon I was fully erect again and enjoying the best threesome of my life. However, I was so fucked out afterwards that I can hardly remember any of it to tell the tale!

---

To be honest, I'd much rather Barrie, my boyfriend, sold his motorbike and bought a nice car, as it's hard for a girl who likes dressing up trying to look alluring in a bunch of waterproofs and a crash helmet, but he loves the thing and I must admit do get a thrill roaring around on the back when the weather is good.

The other evening we'd had a row about the damned motorcycle again, and he'd gone off in a huff to tinker with it in the garage. I was feeling guilty as in every other sense we get on great. Barrie has a lovely big cock and knows how to please my body. He is also the best guy I've ever met at sucking pussy, and is up for spending ages licking my clit until I'm cumming like an express train!

I decided to say sorry in a way that I knew would make both of us happy. I put on a pair of black stay-up stockings, my highest stilettos, and nothing else apart from my shapeless thigh-length waterproof bike jacket.

Tottering seductively into the garage, I could see Barrie sprawled on the floor beside the bike with a spanner in his hand and casually

walked over and stood above him.

"Can I help?" I said in my sexiest voice. Barrie turned and looked up at me, copping an eyeful of my naked pussy and arse directly above his face. I shifted position, opening my thighs for him so he could enjoy the slutty view of what I had on offer.

Barrie slid his hand slowly up one stockinged leg to the top and fondled my bare thigh before running a finger down the hairless entrance to my fanny, sending a tingle of excitement through my whole body. I squatted slightly above him as I knew the lips of my pussy would part, allowing him easier access to my slit. I felt his finger push inside the folds of my twat and then another, squirming around in my moistening love tunnel.

I couldn't see what he was doing as my jacket was in the way and it felt kinda dirty being fingered in the near empty concrete garage. I leant across the bike and shuddered as Barrie's tongue replaced one of his fingers, licking the juice and gently nibbling the puffy lips that he loved so much. He gripped my arsecheeks in his hands and pressed his mouth against my pussy, slurping harder on my mound as if hungry for its contents. My thighs were shaking as Barrie ate me out, but I needed that cock of his and I needed it right now!

I manoeuvred my denim-clad boyfriend onto the bike and unzipped his jeans.

His prick was already rock solid and I slipped off my waterproofs, lowered my head, and took his delicious meat into my mouth. His hands moved to my tits and he cupped them around his dick and balls as I ran my lips up and down his shaft, tickling the tip of his knob on each stroke. The smell of the leather seat mingled with the musky scent of his cock, and I fantasised I was some filthy motorcycle slut giving the gang leader a blow-job, which made my cunt incredibly wet. Barrie played along and roughly stuck a finger in the crack of my arse, groping for my bum hole. As he pushed the tip inside my tight back passage I came, sucking his dick as deep down my throat as I could, revelling in my own tarty display.

Barrie held my head hard onto his shaft as I climaxed, treating me like the whore I was pretending to be as I gasped and panted for breath with my mouth stuffed with prick.

I jerked my head off his rigid member and stared at the lovely spittle-coated muscle just aching for a twat to bang.

It was time to oblige and I straddled the machine in front of his throbbing cock.

Spreading my pussy lips wide apart with my fingers and lifting my stockinged legs around Barrie's waist, I roughly snogged him, arching my back and thrusting my tits in front of him like some motorcycle groupie desperate for dick.

I grabbed his meat with both hands and wriggled my arse along the seat until I had his knob stretching me open. Barrie clasped my buttocks and dragged me onto his shaft, sinking his entire length up my cunt. I lay back on the cold metal of the fuel tank as Barrie started to thrust his prick inside me, standing up on the footrests so he could fuck me better.

It felt fantastic being screwed in that position, draped over his motorcycle, and I groped my boobs for him as he grunted his appreciation.

I knew I could get in another climax for myself before he shot his bolt, so I worked on my clit with a finger as he hammered in and out of my slippery fanny.

As I came for a second time, my clenching pussy muscles must have sent him over the edge, as he pulled his meat from my dripping twat and fired a huge arc of thick white spunk over my tits. Barrie wanked himself as the sperm sprayed all over me, covering me in the sticky mess and forming trickles of semen that ran into the crevice of my pussy.

Clambering off the bike, Barrie chucked an oil-stained rag onto my naked prostrate body and I obediently wiped up his cum while fingering my gaping wet fanny as a finale to my smutty performance.

I never thought of the bike as a sex aid before, and it's certainly not as cosy as fucking in the backseat of a car, but like Barrie, I do enjoy feeling something big and throbbing between my legs! MF

"I leant across the bike and shuddered as Barrie's tongue replaced one of his fingers, licking the juice and gently nibbling the puffy lips that he loved so much."

I'm Fiona, and I'm a second year medical student at a university in the Midlands. I always wanted to be a doctor and worked hard in school to get the high grades necessary to study Medicine. This said, while I am serious academically I also enjoy the 'social' side of uni life.

I have many good friends studying medicine with me, but one in particular is closer than the others. Marie started off as my best friend and roommate, but over time we have become lovers. In fact we are so into one another we can hardly keep our hands off each other, which makes some of the other students tease a bit. We, on the other hand, don't really mind, it is all in fun and if we are in the mood, we often have a kiss in front of them. Of course no one knew for certain if we were just messing with their heads or serious. It was all a bit of a secret until the night one of our fellow students caught us making love in one of the empty lecture theatres.

Luckily for us it was only Tom, who is one of my best mates, and he swore blind he wouldn't spill the beans on condition we allowed him to stay and watch. As I trust Tom to keep his word, and both Marie and I are diehard naughty exhibitionists, we agreed and carried on.

Marie was sitting on one of the benches against the wall with her

legs spread wide and her skirt rucked up so that I could get at her pussy with my tongue. I was on my knees with my top rolled up and my tits pulled over my bra so she could tease my nipples while I licked her.

Tom sat a little bit away from us taking in the scene, and as it grew hotter and steamier, he became less inhibited, getting out his cock and beginning to stroke it. Marie laughed, telling me what Tom was doing as I licked along her juicy slit. Her pussy lips are long and thin, and I took one of them between my teeth and tugged it gently, stretching it a little before letting it go.

Marie groaned and held my head against her as I licked her pink folds, flicking my tongue over her clit as she played with my nipples. My pussy was dripping and I reached between my legs and began to gently rub my pussy through my panties.

As I began to feel hornier and more excited than ever, I spread her thighs wider and delved my tongue as far as it would go into her pussy.

Just as she came, I heard Tom grunting quietly as he stroked, and I got an idea. I wanted to cum but I didn't want to stop eating Marie's pussy. So, beckoning Tom over, I told him he could fuck my pussy if he kept his mouth shut and didn't take my concentration off Marie.

He shot me a grin that nearly reached his ears and nodded, scrambling to pull his jeans down. Meanwhile, I switched positions, going onto all fours and pushing my arse up so that Tom could get at my cunt. He was fairly quick about it, not wanting to miss out on the action, and I felt him tugging my panties down as I pulled Marie's pussy lips wider apart and began to lick them.

Marie held my head in place as I tonguefucked her, savouring the sticky sweet love juices that were steadily trickling from her pussy. Tom was having trouble getting my panties down and was obviously in no mood for messing around, because he tugged them a few times quite hard before losing patience and very nearly ripping them off.

Slipping aside the flimsy piece of lace, he moved into position behind me and began fingering my pussy. I almost objected to his rough-handling, but to be honest I was enjoying the sensations, and in tandem with the mouthful of Marie's juices that I had licked out it was making me feel even hotter.

Marie stroked my hair as I tongued her contracting pussy, while Tom pushed his thick cock inside my fanny. My pussy began to tighten around his shaft as he pushed it deep inside me, making me gasp as shunted back and forth. I was very close to cumming now, and I dipped my back as Tom began to fuck me extra deep and ferociously hard. Sucking Marie's cunt always makes me so horny, but hearing the little mewling noises she was making in the throes of a threesome really got me going. I love the taste of hot moist pussy and Marie has the sweetest fanny ever. Tom fucked me from behind as Marie caressed my face and hair with one hand and pinched her own nipple with the other.

She was making little gasping noises as I slurped on her pussy, tongue-fucking her pink hole as Tom began to shag me even harder. In and out he plunged his cock, shafting my throbbing pussy faster and faster. My slot went into spasm and I lifted my head, gasping with excitement as he reamed me. Remembering Marie, I began to frig her energetically, shunting my fingers in and out of her soaking pussy in rhythm with Tom's thrusts.

I couldn't see how we could get any more aroused, but all three of us did, what with Tom fucking me from behind at the same time as I pumped Marie's wet juicy hole. I could feel Marie coming closer to orgasm by the second, and, not wanting to miss any of her precious juice, I replaced my fingers with my tongue.

Just as she exploded in my mouth, Tom grasped my hips and began really slamming his hard, fat cock deep into my soaking cunt like a madman. His dick drove into me to its root three more times, then with a low moan he blasted his spunk all the way inside my throbbing pussy, making me cum hard as I sucked down Marie's juices. MF

# HEATHER

'Last but not least' as the hackneyed old cliché goes, usually when the thing coming up last is in reality going to be an incredible disappointment to all concerned. However, anyone who can honestly call Californian goddess Heather a disappointment should have a serious look at themselves in the mirror, reconsider, and if they still feel the same way perhaps check themselves into the nearest mental health facility. Here at Mayfair, we've always thought of Heather as being one of the most beautiful girls in the industry, but we're also big fans because there's a lot more to her than just a pretty face, an incredible body, a gorgeous pair of tits, a perky bottom, and so on...

You see, Heather has two degrees – Teaching and Art – and she spent two years in the US Army learning, amongst other things, how to handle weapons and hand-to-hand combat. She's also worked in Costa Rica as a jungle guide. No, you could never describe Heather as a 'disappointment' – and not just because she might kick your head in if you did...
